

IMC Diving AS

Everything you need doing underwater 24 hours a day and all year round

IMC Diving is a leading diving company offering professional diving services, where high standards of safety and performance are essential. Quality is the essence of the company and everything we do. Quality is reflected in an experienced diving team with in-depth knowledge of a range of diving disciplines in addition to diving itself.

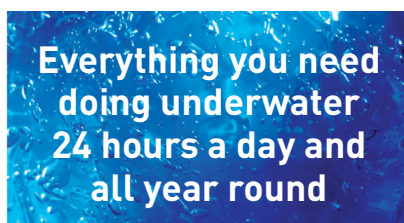

The company was founded in 1982, but can trace its roots as far back as 1965, giving it a wide range of experience enabling us to tackle most underwater jobs. IMC Diving is Achilles qualified and ISO 9001 certified.

IMC Diving AS is prequalified for all Norwegian and several foreign oil companies, plus several local authorities for demanding diving operations.

Our work ranges from heavy construction to advanced inspection and quality control dives.

- Supply and laying of sea conduits with related work and supplies
- Inspection and video inspection of ships and rigs
 - classification inspections
- Sea bed surveys, mapping and measuring - up of routes
- ROV
